被験者J	0.40	0.22	0.16	0.06	0.00	0.00

※The participants in the experiment drank the same amount of alcohol.  
※Dietary time is 120 minutes.  
※While drinking, they also ate food, such as fried food, sasimi, salad, pickled vegetable, etc.

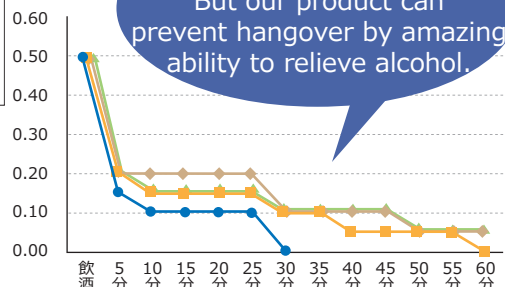

※More than 0.25...Drunk driving  
※More than 0.15...Driving under influence of alcohol  
※Less than 0.15...Below the value of inspection

As the amount of alcohol consumed increases, the decomposition time also increases.  
Driving without drinking.  
※The effect will vary from person to person.

## Great difference from competitors

Experienced person: 39 years old, male  
Drink volume: one bottle of beer about 500ml  
The state before drinking: full stomach  
Test: directly drink the awakening of platinum after alcohol, then testing the alcohol concentration in breath.

- Awaking of platinum
- Turmeric goods A
- ◆Liver goods B
- ▲None

Other company cannot do it, But our product can prevent hangover by amazing ability to relieve alcohol.

Voice of joy and excitement of our customs.

I tried lots of, but none was worked. The awakening of platinum is different, it is very effective. I put it in my bag every day.

It was amazing that I did not feel drunk after drinking 10 cup of alcohol.

Wake up clearly following morning. How I wish I knew it earlier.
